Thank You

THANK YOU to all our Dedicated and hard-working volunteers this year who helped us to get Pilger's 23rd Annual Sweet Corn & Hamburger Feed set up! We know without you there is no way this event could happen. We want to **THANK ALL** those who **donated money towards** all the supplies that are needed in order for us to have this event.

THANK YOU to the **32 Wisner-Pilger FFA Students, and their advisor** who came to help husk and clean the corn. Every year, we have people from **Pilger, Wisner, and Winside and the surrounding area**, who show up on Wednesday morning to **husk and clean the corn**. Many of those same morning volunteers come back Wednesday evening to grill burgers, cook corn, and serve attendees. **Thank you!** Also, thank you to the volunteers that stayed late and helped clean up the Cooper Center, mopped the floor, and washed the large cooking kettles after this event. You are truly appreciated!

THANK YOU to all of you for giving your time and energy again this year! Because of you we were able to clean over **3,000 ears of corn, grill 1,450 hamburgers** and serve over **1,200 people**.

The **Louis and Abby Faye Dinklage Foundation** graciously matched **\$10,000**. In addition to that, the **Midwest Bank** root beer floats raised **\$1,504.59**. Along with some other additional donations - we deposited **\$29,339.33** into the Pilger Pool Fund account. A huge **THANK YOU** goes out to everyone who donated to both the corn feed and the root beer floats which are separate donations. We want to thank each and every one of you for attending and giving your donations and for your continued support of this event. We hope you enjoyed the Mark Vyhldal Variety Polka Band, it was a perfect night to be sitting outside listening to their wonderful talent.

Your donations continue to give children and families a fun and safe place to be on a hot summer day. This summer approximately 156 kids participated in swimming lessons at the Pilger pool. The older teens are learning very important, life-saving water skills, which in turn can lead to them becoming lifeguards that will work at our local pool. Having a **pool in Pilger** provides an attraction to our village. It also provides numerous summer jobs for some of our young people in the area. Once again, **THANK YOU** for attending and for your support!

We look forward to seeing you all again on the first Wednesday of August; August 5th, 2026 for the 24th year!

Sincerely, Ron & Barb Wolwerton & Family

Is it Time to Make a Move?

Considering selling your farm, pasture, or recreational land? You're not alone. Across Nebraska, many landowners are quietly exploring their options as the market begins to shift.

Selling is a big decision.

- ⚖️ Preparing for retirement
- 👤 Settling an estate
- 💰 Rebalancing investments
- 🤔 Just wondering what your land is worth...

In today's changing land market, you need a partner you can trust – someone who knows the value of Nebraska land and works with integrity to deliver real results.

We specialize in helping landowners make confident, informed decisions – no pressure, just honest guidance.

Let's talk about what your land is worth and what your next step could look like.

If you thrive in high-voltage environments and enjoy solving complex electrical challenges, this is your opportunity to join a team that values safety, innovation, and technical excellence.

What you'll do:

- Install, inspect, maintain, and upgrade equipment including, but not limited to MCCs, switchgear, transformers, substations, and cables
- Support both Low Voltage and Medium Voltage distribution systems (including reactors and SVCs)
- Lead projects with engineering, production, and maintenance teams to drive improvement in system reliability and safety
- Perform arc flash analysis and mitigation
- Serve as an electrical safety trainer
- Collaborate with Nucor's corporate power team to implement best practices

Who We're Looking For:

- Electricians, electrical engineers, or power engineers
- Hands-on professionals with strong troubleshooting and system upgrade skills
- Safety-focused leaders with a proactive mindset and technical expertise

Safety is the most important part of all jobs within Nucor; therefore, candidates must be able to demonstrate the ability to initiate, lead, and uphold safety policies, practices, procedures, and housekeeping standards at all times. Candidates must be legally authorized to work in the U.S. (Nucor will not sponsor the need for a visa now or in the future.)

To view all details including minimum and preferred qualifications go to the job posting link at: <https://jobs.nucor.com/job-invite/148774/>

Nucor is an Equal Opportunity/Affirmative Action Employer - M/F/Disabled/Vets - and a drug - free workplace
