Celebrating Doctor's Day

As we celebrate 80 years of service, we honor the physicians who have shaped our journey. Guided by our past and united in care, we look ahead with pride and purpose-committed to advancing medicine, medical education and exceptional care for generations to come.

Today, we honor our current physicians and thank you for your relentless pursuit of healing, your compassion, and your tireless efforts to improve lives.

 Monday April 13 Back to Grass ACF

Thursday - 10:00 a.m. Fat Cattle/Weigh Cows/Bulls 12:30 Feeder/Bred Cows/PRS

Market Report: March 19, 2026

We had a very short run of fats but did find good activity, sending those top fats out at 232.00. We followed with the weigh cows and bulls, also finding a market that had good activity all the way through. We finished with a short run of feeders, pairs and bred cows. We did get out first test on the 1st calf heifer pairs going from 5500-5900. We will be back on March 30th with our final pre-condition auction of the season, expecting 1500 head with some good sets on the list. If you want to move any cattle, please give us a call and we would be happy to stop out and visit with you about our upcoming specials.

On March 30th we will be doing a rollover calf auction to help with wildfire relief. If you want to participate, please come to the auction. If you would like to donate, please drop off a check at the sale barn. Thank you
