Monday April 13 Back to Grass ACF

Thursday - 10:00 a.m. Fat Cattle /Weigh Cows/Bulls 12:30 Feeder /Bred Cows/PRs

Market Report: April 2, 2026

We had a very short run of fats for our Thursday April 2nd auction gathering a peak of 241.75. We followed with a good active weigh cows and bull market, calling it 4 to 5 higher than a week ago. We finished the afternoon with baby calves and a short run of feeders. We will be back on Monday, April 13th with our Back to grass auction, expecting 2500 heads of outstanding calves and yearlings. This auction will be an all-class auction, but it still looks like those good, weaned calves will generate more money for your stock. If you want to move any stock, please give us a call and we would be happy to stop out and visit with you about our upcoming specials.
