Market Report: May 14, 2026

We had a short run of fats for our Thursday, May 14th auction, but did gather good activity, sending those top fats out at 260.00. We followed with a large run of weigh cows and bulls finding that market to once again be higher than in the past weeks. We finished the afternoon with a short run of feeders and bred cows. If you want to move any stock, please give us a call and we would be happy to stop out and visit with you about our upcoming specials.

MEMORIAL DAY

REMEMBER AND HONOR

Did You Know?

According to the Department of Defense (DOD), the United States Armed Forces had 1.33 million people identified as active troops as of 2025.

The DOD reported that an additional 770,118 people were serving in the National Guard or as reserves as of 2025. Active-duty Armed Forces personnel in the United States are spread across six main service branches: the Army, the Navy, the Air Force, the Marine Corps, the Coast Guard, and the Space Force. As of December 2025, the Army had more active-duty troops (447,455) than any other branch of the American military. The Navy (339,602) had the second most active-duty troops, while the Air Force (315,317) was the third largest branch in terms of active-duty troops.
