Thursday July30 Weekly

Thursday - 10:00 a.m. Fat Cattle /Weigh Cows/Bulls 12:30 Feeder /Bred Cows/PRs

Market Report: July 16, 2026

We had some good sets of fats in town for our Thursday July 16 auction finding that market to take a step back sending those top fats out at 238.50. We also found some pressure on the weigh cows and bulls calling it a few bucks lower in all classes of cows. We finished with a good run of feeders, bred cows and cow /calf pairs, finding good activity all the way through. If you want to move some feeders soon our BBQ auction will be Monday Aug 17th. We do also have an auction every Thursday, so feel free to give us a call and we would be more than happy to stop out and visit with you about our upcoming specials.
