CLINICAL RESEARCH

Gout Can Be
Excruciating

Ask about paid Gout studies

A common form of inflammatory arthritis, Gout can be very painful, usually affecting the joint of the big toe. If you struggle with flares of Gout, contact Velocity to learn more about clinical research studies for investigational medications. If eligible, you can receive compensation for study-related time (amounts differ per study). Health insurance is not required to join.

Thank You

THANK YOU to all our Dedicated and hard-working volunteers who helped us this year to get Pilger's 24th Annual Sweet Corn & Hamburger Feed set up! We know without you there is no way this event could happen. THANK YOU to all who donated towards feeding the corn cleaners lunch. We wanted to thank all those who donated towards the supplies that are needed in order for us to have this event.

THANK YOU to the Wisner-Pilger FFA Students and their advisor who helped husk and clean the corn. Every year, we have people from Pilger, Wisner, and Winside and the surrounding area, who show up on Wednesday morning to husk and clean the corn. Many of those same morning volunteers come back Wednesday evening to grill burgers, cook corn, and serve attendees. A huge THANK YOU to all the volunteers that stayed late, put the tables and chairs down and helped clean up the Cooper Center. You are truly appreciated! THANK YOU to all of you for giving your time and energy again this year! Because of you we were able to clean over 3,000 ears of corn, grill 1,400 hamburgers, we used 1,175 slices of cheese and serve around 1,200 people.

The Louis and Abby Faye Dinklage Foundation graciously matched \$10,000. In addition to that, the Midwest Bank root beer floats raised \$1,660. This year we deposited \$29,201.21 into the Pilger Pool Fund account. A huge THANK YOU goes out to everyone who donated to both the corn feed and the root beer floats which are separate donations. We want to thank each and every one of you for attending and generously giving your donations and also for your continued support of this event. We hope you enjoyed the Mark Vyhldal Variety Polka Band. It was a perfect night to be sitting or dancing outside while listening to this talented group.

Your donations continue to give children and families a fun and safe place to be on a hot summer day. Approximately 135 kids participated in swimming lessons. Eight teens acquired their lifeguard certification at the Pilger Pool. Also, several teens renewed their certification. We have been very fortunate to have Jolene Jensen as our pool manager for over 30 years. Having a pool in Pilger provides an attraction to our village. It also provides numerous summer jobs for some of our young people in the area. Please have your kids take swimming lessons and stay in them. We need Lifeguards to keep the pool open!

We hope to see you next year, August 4th, 2027 for the 25th year!

Sincerely, Ron & Barb Wolverton & Family
