Market Report: September 24, 2026

We had a nice run of fats in town for our Thursday September 24 auction, gathering a market that had a better feel to it, sending these top fats out at 238.50. We followed with a good run of weigh cows and bulls, also finding that market more attractive than in past weeks. We finished the afternoon with a short run of feeders and bred cows. If you are wanting to move any feeders, fats or cows, please give us a call and we would be happy to stop out and visit with you about our upcoming specials.
